 - 6.5" LED Light Bar and Bracket
 - Light Bar Mount
 - Solder Seal Electrical Connectors
 - Stainless Steel Mounting Hardware
- **Mount Only:**
 - Light Bar Mount only. No hardware is provided.

Hardware Orientation:

General Notes:

- It is recommended to silicone seal the backside, or perimeter, of the light bar mount.
- Use caution not to overtighten the mounting screws.
- The access hole for the light bar's power wire faces down to prevent water intrusion.
